

# Technical datasheet

## DIABLO-L-827-1-15-WH

### Product description

Diablo is a compact 3-phase LED spotlight with integrated power supply and aluminum heatsink with 50,000 hours lifetime. Available in 3 power options, wide range of color temperatures (2700K-4000K) with CRI 80+/90+. Four light distribution types (15°, 24°, 36°, 60°) and DALI control option available. Ideal for commercial spaces, showrooms and households. 5-year warranty.

**LED**    220-240V  
50-60Hz    **IP20**        **CE**        **CCT**  
2700 K    **CRI**  
80+

### Product technical data

**Mains voltage**                    220 - 240V AC, 50/60Hz  
**Connection method**            3-phase track adapter  
**Dimming type**                    Non-dimmable

**IP rating**                            20  
**Protection class**                II  
**Ambient temperature**        0 to +25 °C

**Light source**                      LED  
**Colour temperature**            2700k  
**Color rendering index**        80  
**Rated luminous flux**            3,580 lm  
**Connected load**                27.27 W  
**Luminous efficacy**              131.3 lm/W

**Ripple**                                5 %  
**Inrush current**                    7 A  
**Inrush time**                        28 µs

**Optical system**                    Lenses  
**Optical part material**           PMMA  
**Housing material**                Die-cast aluminium  
**Surface finish**                    Powder coated

**Height**                                132.00 cm  
**Diameter**                          90.00 cm  
**Weight**                                0.80 kg

**Service lifetime (L80 B10)**    50 000 h  
**Warranty**                            5 years
