

# Technical datasheet

## WOR-M-935-1-50-BL

### Product description

Modern recessed lamp with excellent lighting properties. Suitable for lighting offices, corridors and design spaces. The lamp uses the most modern LED technology, which makes the lamp powerful and economical.

**LED**    220-240 V    IP20                UGR < 19    CCT 3500 k    CRI 90+

### Product technical data

Mains voltage                    220 - 240V AC, 50/60Hz  
 Connection method            Screw terminal  
 Dimming type                    Non-dimmable

IP rating                            20  
 Protection class                II  
 Ambient temperature        0 to +25 °C

Light source                      LED  
 Colour temperature            3500k  
 Color rendering index        90  
 Rated luminous flux            1,091 lm  
 Connected load                10.99 W  
 Luminous efficacy              99.3 lm/W

Ripple                                1 %  
 Inrush current                    10 A  
 Inrush time                        200 µs  
 Optical system                   Lenses  
 Optical part material           PMMA  
 Housing material                Steel  
 Surface finish                    Powder coated

Width                                71.00 cm  
 Height                                41.00 cm  
 Length                                340.00 cm  
 Weight                                0.75 kg

Service lifetime (L80 B10)    50 000 h  
 Warranty                            5 years
