

# Technical datasheet

## WORTDUO-M-940-1-WAS-BL

### Product description

Worker Track Duo is a linear LED luminaire for 3-phase track system with LED source with 50,000 hours lifetime. Available in 3 power options, color temperatures 3000K/4000K/5000K with CRI 80+/90+. Five light distribution types (50°, 80°, ASYM, SYM, WAS) with special optics reducing glare and DALI control option available. Provides comfortable and natural lighting with easy track system installation. Ideal for offices and stores. 5-year warranty.

**LED**    220-240 V    IP20                UGR < 19    CCT 4000 k    CRI 90+

### Product technical data

**Mains voltage**                    220 - 240V AC, 50/60Hz  
**Connection method**            3-phase track adapter  
**Dimming type**                    Non-dimmable

**IP rating**                            20  
**Protection class**                II  
**Ambient temperature**        0 to +25 °C

**Light source**                        LED  
**Colour temperature**            4000k  
**Color rendering index**        90  
**Rated luminous flux**            3,487 lm  
**Connected load**                33.28 W  
**Luminous efficacy**              104.8 lm/W

**Ripple**                                5 %  
**Inrush current**                    7 A  
**Inrush time**                        28 μs  
**Optical system**                    Lenses  
**Optical part material**            PMMA  
**Housing material**                Aluminium  
**Surface finish**                    Powder coated

**Service lifetime (L80 B10)**      50 000 h  
**Warranty**                            5 years
